

On-Farm Water Enhancement Program Producer Report

Deadlines for Producer Reports

Producers must complete all relevant questions on the Producer Report **before** receiving cost-share funds through the On-Farm Water Enhancement Program.

This form is for the Administrator to **keep on-file** for each Producer receiving cost-share funds, and should aid in filling out the reports for this program.

This information will be used to help the Agricultural Development Board evaluate the economic impact of model programs on Kentucky's agricultural economy.

Administrator Information

County: _____

Application Number: _____

General Information

Producer Name: _____

Farm Serial Number (FSN): _____

Social Security Number/TIN: _____

Investment Area and capacity of water source:

On-farm pond (acre feet of storage) _____

Subsurface Aquifers/Wells (flow rate, gallons/min) _____

On-farm Spring (flow rate, gallons/min) _____

Small Stream Water Basin (acre feet of storage) _____

List the items for which cost-share is being requested (per receipts):

Total Project Cost: _____

Total Cost-share Funds Requesting: _____

Economic/Impact Information

Farm Size of the FSN (acres): _____

Intended Purpose for this Project, circle all that apply:

Livestock Water Supply

Crop Irrigation

Other _____

Will this project replace city/county water for the above purpose? YES NO

If yes, please estimate your expected annual saving (\$/year): _____

Will you use city/county water for these purposes after completing this project?

If yes, why? _____

Do you fence off your water source? YES NO
